SUMMARY

Computer Science student with hands-on experience in Flutter, Dart, and Firebase, focused on building mobile applications and intuitive user interfaces. Strong foundation in Data Structures and Algorithms, with practical problem-solving experience in Python. Known for strong learning ability, clear communication, and a growing interest in teaching and mentoring. Seeking opportunities to contribute as a developer while enhancing technical and instructional skills.

SKILLS

- **Languages / Frameworks:** Dart, Flutter, Express.js, Node.js
- **Tools & Platforms:** Firebase, MongoDB, Git, GitHub, VS Code, Postman / ThunderClient
- **Technical Skills:** Data Structures & Algorithms, Object-Oriented Programming, REST APIs, State Management (Provider / GetX / Riverpod)
- **Soft Skills:** Communication, Problem Solving, Quick Learning, Teaching & Mentoring

EXPERIENCE

Flutter Developer Self-Initiated Learning & Development | 2022 – Present

- Gained hands-on experience in Flutter and Dart for mobile app development
- Worked with Firebase / MongoDB for backend integration
- Built responsive and user-friendly UI components
- Implemented features like authentication, wishlist, and data persistence
- Strengthened problem-solving skills through Data Structures & Algorithms (DSA) in Python

PROJECTS

Real Estate App (Flutter, Firebase) — July 2026

- Built a property listing application with booking functionality and user interaction features
- Focused on improving app logic, UI responsiveness, and user experience

Pet Hospital App (Flutter, Firebase) — July 2025

- Developed UI screens and core features for managing pet care services and user interaction

WatchHub App (Flutter, Firebase) — July 2025

- Developed a mobile app for watch browsing and shopping with a clean and modern UI
- Integrated Firebase Authentication and Firestore for user and data management
- Implemented persistent features such as wishlist and user-based data storage

EDUCATION

Cambridge Assessment International Education (CAIE)

- A-Levels | 2024 – 2025
- O-Levels | 2022 – 2023

COURSES & CERTIFICATIONS

Aptech Pakistan, ACCP Prime 2.0 (Diploma in Software Development) | 2023 – Present

- Currently in final semester
- Focused on Flutter, Dart, Express.js, Node.js and Full-Stack development concepts
